

New Gowns

SIMPLY SURPRISING: This simple slip silhouette surprises with a flare at the bottom and ruffled tiers on the back skirt. It features beading at the top of the bodice, accented with a matching bow.

A woman with her hair styled in an updo is shown from the back, wearing a long, flowing, cream-colored gown. The gown features a silver beaded trim along the neckline and a sash tied at the back. She is standing in a modern, minimalist setting with a white sofa and a white wall. The lighting is soft and even, highlighting the texture of the fabric and the details of the dress.

CREAMY GLOW: Forget traditional white and dazzle with this creamy gown featuring silver beaded trim, covered back buttons, and a gorgeous sash tied at the back.

WHITE LACE AND PROMISES: This elegant gown with a lace bodice, cap sleeves, and skirt overlay is traditional save for the trendy silver satin sash and bow at the waistline.
